

Business Support Solutions LLC

Referral Policy

A personal referral is the greatest compliment that we can receive. We wish to thank those clients that recommend our services to their friends, family and business associates. For each new client you refer to us, who then utilizes our services, we will give you a 10% discount on the preparation of your tax return. The more clients you refer, the larger the discount, up to the entire cost of your tax preparation (10 referrals).

In addition, we will give the new client a 10% discount on their tax preparation services for the current year.
